

Red & White

a round-robin workshop presented by
Debbie Todhunter
for

Memphis Guild of Handloom Weavers

Saturday, January 5, 2008, 9:30–4:30
Sunday, January 6, 2008, 9:30–4:30

Rawlinson Studio
6645 Poplar Avenue in the Carrefour Center
at the corner of Poplar & Kirby Parkway
Germantown, Tennessee

The Memphis Guild of Handloom Weavers brings you something a little different—the opportunity to explore different weave structures and color and weave effects with the common theme of red and white thread!

We will weave 2-, 4-, 6-, and 8-shaft patterns in waffle, log cabin, Bronson, overshot, basket, cannalé, twill, and other structures.

Workshop fee **includes cost of thread**, as well as a notebook of all the drafts. Samples will be around 6" wide and warps about 5 yards long.

Looms should be warped prior to class, and you are asked to weave 3–4 samples before class. This will ensure that all threading/sleying errors are worked out in advance, and that there will be extra samples for the Guild notebook and those who may not have gotten to weave a sample in class.

Level of expertise: Beginner to Advanced.

Registration fee must be sent in with the registration form. A packet of pre-workshop information and your draft will be mailed in early November.

Special Note: *In the interest of facilitating as much weaving as possible during the time allotted, we request that you do not use/bring a Structo or a Leclerc Dorothy table loom. Arrangements can be made to borrow a loom in this event. For more information, contact **Debbie Todhunter** (731 254-8781/ dtodhunt@bellsouth.net).*

Workshop limited to 18 participants

For more information, call
